

# AUDA StreetScape Update November 9, 2011

## CONSTRUCTION PROJECT UPDATE

From November 9th-16th, please anticipate construction work to continue between Elder's Station & Pine Street on Lincoln Way. Hansen Brothers will be raising utilities and patch paving Almond St this week. Hansen Brothers anticipates striping the street next week.

The new streetlights are scheduled to arrive this week and are anticipated to be installed this week by Gray Electric once they arrive.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next month.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.
